Roger Sanders – High School
Tori Strickland – Elementary School

Parents and Students,

On March 9, 2021, we will be administering the ACT test to all Juniors. In order to create an environment conducive to testing, students that are in grades nine, ten, and twelve will be participating in a virtual learning day. This means that they will not be required to report to campus on March 9, 2021. Students not involved in testing will be completing at minimum one assignment in each of their classes via the Schoology learning management system.

We will have a designated location on campus for students that do not have devices or that need connectivity to complete their daily assignments. Students in grades nine, ten and twelve that attend school on March 9, 2021 will be kept in one location until the completion of the school day.

We will also be allowing students that completed the ACT test to check out upon the completion their test portion. In order to check out, students will need to bring a parent note the day of testing. Please, send a note and do not call to check out Juniors after their test. They will turn these in to their test administrator following their test, and they will be allowed to leave.

This day will be a normal day of school for students in grades Pre K – 8. Feel free to contact Mr. Robertson by email at robertson.joshua@hcboe.us with questions.

Josh Robertson
