

Physical Therapy and/or behavioral therapy through teletherapy.

SECTION E: OTHER STATE AND FEDERAL ASSURANCES

SUPPORTING SPECIAL EDUCATION SERVICES:

In compliance with COVID-19 guidance, the following assurances have been discussed and are included in planning efforts for students with disabilities, including students with 504 plans. Houston County Schools will:

- ✓ Make every effort to provide services for all students with disabilities, including students with 504 plans; and maintain appropriate documentation to support all efforts;
- ✓ Assure that students with disabilities will not be excluded from participating in the courses;
- ✓ Comply with all state and federal regulations;
- ✓ Ensure general educators, special education educators, and administrators collaborate and utilize creative options to meet the individual needs of the students; and
- ✓ Consider the impact of the LEAs grading option selected in Section C as it relates to IEP review and development for each student.

SUPPORTING ENGLISH LANGUAGE LEARNERS:

As Houston County Schools focus on supporting English Language Learners, it is essential to work collaboratively with staff and other agencies to plan appropriately for the following:

- ✓ Provide effective two-way communication with families in a language that they understand.
- ✓ Tailor instruction to students' English Language proficiency needs in all four language domains (Listening, Speaking, Reading, and Writing).
- ✓ Teachers may utilize Imagine Learning or use <https://www.deepl.com/en/translator>
