

## **Graduation and Senior Honors Day Dress Codes**

You must abide by the following dress code  
anytime you wear your cap and gown.

### **Boys**

- Black pants, black dress shoes (not tennis shoes), and white button down dress shirt
- Ties can be of any color/pattern. No ties with slang, derogatory comments or pictures!

### **Girls**

- Black closed-toe shoes. ABSOLUTELY no sandals or shoes without straps in the back allowed.
- Dress must be tasteful. Remember the school Dress Code policy still applies.

You may not decorate your cap and you must write your name inside. After the graduation ceremony the caps are thrown and you will want to find yours.

Keep your gown zipped completely until you have exited the ceremonies.

Do not use an iron on your gown, you need to use a steamer. Take your gown out of the bag and hang it up after you get it so the wrinkles will come out easier. You will receive your items for graduation sometime in April.

**If you violate the dress code for Senior Honors Day and Graduation Ceremony you will be pulled out of line and not allowed to participate.**
