

Parents, just a little information we wanted to share with you in light of reported cases in neighboring states:

**Please be mindful of the following:**

\*Wash your hands with soap and water for at least 20-30 seconds, use hand sanitizer if unable to wash hands with soap and water.

\*Do not touch your face

\*Limit attendance in large crowds and travel

\*Do not shake hands with others

\*Cover your cough or sneeze with a tissue or sleeve

**\**Stay home when sick***

\*Clean frequently touched surfaces and high use areas of your home or office with clorox spray. Do not wipe areas with the same towel or wipe

\*Stay at least 3 feet away from people that are coughing or sneezing

\*If you develop a cough or fever, seek medical attention early
